The website will also feature member highlights.

## Unidos

Latino Network, the Greater Riverside Hispanic Chamber of Commerce, and Spanish Town Heritage Foundation formed an alliance in December 2017, and pledged a combined \$90,000 to The Cheech Marin Center for Chicano Art, Culture, and Industry (The Cheech). They further pledged to raise another \$160,000 for a grand total of \$250,000 by expanding the alliance to all Chicano Latino organizations, big and small, across the region. This alliance is now called UNIDOS. The many organizations and individuals that form UNIDOS have worked for years within different stages of the movimiento to address issues impacting the Chicano Latino Community. UNIDOS is committed to engage the community and work together, beginning with making “The Cheech” a reality.
